**DEFENDANTS' RESPONSE TO PLAINTIFF'S MOTION TO SEVER (DOCKET #42)**

**I. INTRODUCTION**

Plaintiff's disagreement with each and every ruling of this Court, is manifest. His prolific motions practice in support of his views is in keeping with his repeated threats to magnify the costs of litigation "for decades". Defendants will respond to Plaintiff's frivolous motions so long as they continue. To limit the time and expense of preparing such responses, and the commensurate time spent by the Court in reviewing them, where appropriate, Defendants will respond with this two page response in opposition to each motion, incorporating by reference their responses to each motion filed by plaintiff in Civil Action No. 13-4066 and 15-4745 and

request that the Court order more thorough briefing on this particular motion by plaintiff, if Your Honor deems it appropriate.

## **II. CONCLUSION**

Defendants respectfully request that this Honorable Court deny Plaintiff's Motion to Sever.
